NATIONAL TOBACCO CONTROL PROGRAM

DATE – 09/02/2023

PLACE – SEMINAR HALL

National Tobacco Control Program

Government of India launched the National Tobacco Control Programme (NTCP) in the year 2007-08 with the aim to (i) create awareness about the harmful effects of tobacco consumption, (ii) reduce the production and supply of tobacco products, (iii) ensure effective implementation of the provisions under “The Cigarettes and Other Tobacco Products (Prohibition of Advertisement and Regulation of Trade and Commerce, Production, Supply and Distribution) Act, 2003” (COTPA) (iv) help the people quit tobacco use, and (v) facilitate implementation of strategies for prevention and control of tobacco advocated by WHO Framework Convention of Tobacco Control .

District Tobacco Control Cells Banaskantha (Palanpur) and G P Palanpur has arranged the seminar on “Tobacco control programme”.

Officer of the cell has informed students about the serious health problem which can be caused by tobacco like Smoking can cause heart disease and strokes by clogging arteries, Smoking causes COPD, a lung disease that can be fatal, Smoking causes head and neck cancer etc.

At the end of the program student and faculty taken oath to not consume tobacco, and also will spread awareness about the serious health problem of consuming tobacco.

SPORTS WEEK _2023

DATE – 10/04/2023 to 13/04/2023

PLACE – G P PALANPUR CAMPUS

SPORTS WEEK

A student's life is no less than a rollercoaster. In addition to learning new skills and exploring various opportunities, a student has a lot to deal with in terms of assignments, practical, exams, internships, workshops, lectures, and much more, essential to ensure optimum academic development. Amidst the busy schedule, it is very important to take a break to refresh oneself. This is where extracurricular activities play a vital role. These activities, during college life, keep student positive, fresh, energetic and go a long way in making you more productive. Not only do they lighten their mood, but they also help in shaping student's overall personality and interpersonal skills.

Keeping this in mind Government Polytechnic Palanpur has celebrated Sports week _2023 during 10th April to 13th April 2023.

Institute has arranged various indoor and outdoor games like Cricket, Volleyball, Badminton, Long Jump, Kabaddi, chess, Carom, table tennis, Musical chair etc. with this keeping in mind digitalization and students interest various online games are also arranged at the institute.

Student as well as faculty from the all department has participated in various games enthusiastically and this days are become non forgettable for all students.

The sports week helped the students to show their talents and hidden strengths. This has also helped in building camaraderie among the students and also boosted the sportsman spirit.

The winners of various games are awarded with certificates and medal at the end of sport week.

THALASSEMIA TEST CAMP

DATE – 21/04/2023

PLACE – SEMINAR HALL , G P PALANPUR

Thalassemia Test Camp was organized by G P Palanpur and Red Cross Society Ahmedabad on 21st April 2023 at Government Polytechnic Palanpur in which students of 2nd Semester are underwent compulsory Thalassemia test.

The detection of Thalassemia Minor, which otherwise does not interfere in the normal lifestyle, is necessary because if detected it can prevent the offspring being born with Thalassemia Major.

When two individuals with Thalassemia Minor marry there is a 25 per cent chance that their child will be born with Thalassemia Major. Therefore, two individuals with Thalassemia Minor should not marry. This is the easiest ways to reduce the number of new cases.”

During this program students are informed about what Thalassemia is and what the requirement of this test is.

TREE PLANTATION

DATE -19/07/2023

PLACE - COLLEGE CAMPUS

A very auspicious tree plantation programme was organized in our college GOVERNMENT POLYTECHNIC PALANPUR to create an awareness regarding climate change and its adverse effect on us. The program started at 2:00 PM .Our college principal Shri. S D Dabhi sir has started programme by planting first plant. A range of 100 plants were planted in the college garden and periphery of the college playground to create awareness about saving trees.

Student from the all departments and faculty has participated in this programme enthusiastically.

TOBACCO CONTROL PROGRAMME

DATE – 21/07/2023

PLACE – SEMINAR HALL

National Tobacco Control Program

Tobacco use is one of the main risk factors for a number of chronic diseases, including cancer, lung diseases, and cardiovascular diseases. India is the 2nd largest producer and consumer of tobacco and a variety of forms of tobacco use is unique to India. Apart from the smoked forms that include cigarettes, bidis and cigars, a plethora of smokeless forms of consumption exist in the country.

The Government of India has enacted the national tobacco-control legislation namely, “The Cigarettes and other Tobacco Products (Prohibition of Advertisement and Regulation of Trade and Commerce, Production, Supply and Distribution) Act, 2003” in May, 2003. India also ratified the WHO-Framework Convention on Tobacco Control (WHO-FCTC) in February 2004. Further, in order to facilitate the effective implementation of the Tobacco Control Law, to bring about greater awareness about the harmful effects of tobacco as well as to fulfill the obligations under the WHO-FCTC, the Ministry of Health and Family Welfare, Government of India launched the National Tobacco Control Programme (NTCP) in 2007- 08 in 42 districts of 21 States/Union Territories of the country.

To spread awareness among student, GOVERNMENT POLYTECHNIC PALANPUR has arranged Tobacco Control Programme were Mr.Kamarali Nandoliya, District Tobacco control Office Palanpur has delivered lecture.

The objectives of this programmer are,

1. To bring about greater awareness about the harmful effects of tobacco use and Tobacco Control Laws.
2. To facilitate effective implementation of the Tobacco Control Laws.
3. To control tobacco consumption and minimize the deaths caused by it.

Student and faculties has enthusiastically participated in programme.

77TH INDEPENDENCE DAY CELEBRATION

DATE - 15/08/2023

PLACE – COLLEGE GROUND

The **Independence Day of India**, which is celebrated religiously throughout the Country on the 15th of August every year, holds tremendous ground in the list of national days, since it reminds every Indian about the dawn of a new beginning, the beginning of an era of deliverance from the clutches of British colonialism of more than 200 years. It was on 15th August 1947 that India was declared independent from British colonialism, and the reins of control were handed over to the leaders of the Country. India's gaining of independence was a tryst with destiny, as the struggle for freedom was a long and tiresome one, witnessing the sacrifices of many freedom fighters, who laid down their lives on the line.

Our college GOVERNMENT POLYTECHNIC PALANPUR has also celebrated 77th Independence Day at our college campus on this day. College principal Shri S D Dabhi sir has given flag hoisting opportunity to our college peon Shri S D Makwana, who is retiring on this year. After the hoisting of the flag, the national anthem was played and our national flag was saluted. After that principal has given the relevant lecture on independence day and remembered our super hero ,our real hero ,our freedom fighter who laid down their lives on the line.

NAVARATRI (GARABA) CELEBRATION

DATE – 27/10/2023

PLACE – MAIN GROUND , G P PALANPUR

Navratri, a vibrant and joyous festival celebrated across India, marks the triumph of good over evil and the worship of the divine feminine. This report provides an overview of the Navratri celebration, highlighting the cultural significance, rituals, and festivities observed during this auspicious occasion.

Navratri, meaning "nine nights," is dedicated to the worship of Goddess Durga and her various incarnations. It symbolizes the victory of Goddess Durga over the demon Mahishasura, signifying the triumph of righteousness over evil.

Our organization Government Polytechnic Palanpur organized "Navratri Garba Mahotsav" on 27/10/2023 from 2 pm to 6 pm in a manner consistent with the culture of Gujarat for additional cultural activities apart from educational activities. Enthusiasm of the students were Increased by organizing prizes for the winners as well as the traditional dress.

Navratri, with its rich cultural heritage and spiritual significance, serves as a reminder of the eternal triumph of good over evil and the power of devotion and righteousness. The festival not only fosters religious fervor but also strengthens social bonds and promotes cultural harmony. As communities come together to celebrate Navratri, they reaffirm their faith in the divine and cherish the values of love, unity, and compassion.

CONSUMER AWARENESS PROGRAM

DATE – 15-12-2023

PLACE – SEMINAR HALL

Consumer awareness programs play a crucial role in empowering consumers with knowledge and information about their rights, responsibilities, and choices in the marketplace. These programs aim to educate consumers about their entitlements, promote ethical business practices among sellers, and foster a culture of informed decision-making.

Keeping this in mind the consumer awareness program organized by our institution on 15th December 2023. The lecture was delivered by Mrs. Purnima M Mehta.

Following topics were discussed in this seminar,

- Educate consumers about their rights and responsibilities under relevant consumer protection laws.
- Raise awareness about common consumer issues such as product safety, misleading advertising, unfair trade practices, and the importance of exercising caution while making purchasing decisions.
- Equip consumers with knowledge and skills to identify counterfeit or substandard products and to seek redressal in case of grievances.
- Promote ethical business practices and encourage businesses to adhere to fair trade standards and consumer protection regulations.
- Empower consumers to make informed choices by providing them with access to accurate and transparent information about products and services.

All the students and faculties had enjoyed the programme.

INAUGURATION PROGRAM OF VIKSIT BHARAT@2047

DATE – 11-12-2023

PLACE – MULTI MEDIA ROOM OF EACH DEPARTMENT

The Inauguration Program of Viksit Bharat@2047 marked a significant milestone in the nation's development journey. Hosted by the esteemed Prime Minister Narendra Modi, the event aimed to launch and showcase the transformative initiatives under the Viksit Bharat@2047 program.

Key Objectives of this program are,

1. Introduce Viksit Bharat@2047 program and its vision for India's development.
2. Unveil flagship initiatives aimed at fostering holistic growth across various sectors.
3. Outline the strategic roadmap and targets set for achieving developmental milestones by 2047.

To aware the students about the vision of Viksit Bharat@2047 each department has arranged live telecast of this programme in their respective multi media room.

The Inauguration Program of Viksit Bharat@2047 served as a platform to galvanize efforts towards India's holistic development. With a clear vision, strategic initiatives, and widespread stakeholder engagement, the program aims to propel India towards becoming a developed nation by 2047. As the nation embarks on this transformative journey, sustained commitment, collaboration, and innovation will be pivotal in realizing the aspirations of a prosperous and inclusive India.
